Private Land Rover Tours

Get off the beaten track and explore the beautiful scenery of Atholl Estates on a Private Land Rover tour. Tours can be tailored to a date, time and duration that suits your group and around any areas of particular interest.

Our half day tour (2.5 hours) passes through areas rich in natural beauty and historic significance. The full day tour (5 hours) takes you deep into the wilder areas of the estate with the opportunity to stop off for a picnic lunch while enjoying an awe-inspiring view. All our tours are hosted by people who can share a lifetime's experience of working with the land and wildlife on the estate. At any time during the tour you can opt to stop and enjoy the view or simply walk along the track.

Maybe you are keen to spot some of the more iconic wildlife that live on the estate including red squirrels, birds of prey, mountain hares and red deer? Alternatively, you may simply want a leisurely tour of the estate with your guide relating stories and explanations of places, people and activity that you pass by.

Whatever you decide to do, each journey will be unique and hopefully live on in your memory as the high point of your stay on Atholl.

Rates: £150 for a half day or £300 for a full day (plus picnic lunches £8.50 per person)
